**BREAZEALE, SACHSE & WILSON WELCOMES
ATTORNEY A.G. (ALEC) ALEXANDER III TO BATON ROUGE OFFICE**

Breazeale, Sachse & Wilson, L.L.P. (BSW) is excited to welcome a new attorney to the Baton Rouge office. Alec Alexander has joined the firm's Healthcare Practice Group.

Before joining BSW, Alec was a healthcare executive serving as the Chief Compliance Officer on the senior leadership team for CRISTUS Health Louisiana. He was responsible for the strategic and operational components of the CHRISTUS Louisiana compliance program and served as the Institutional Official for the CHRISTUS St. Frances Cabrini Institutional Review Board.

Before CHRISTUS, Alec served eight years as an Assistant United States Attorney for the Western District of Louisiana, prosecuting healthcare fraud matters under the False Claims Act and other civil and criminal statutes. He will add his extensive experience in healthcare fraud, complex litigation and False Claims Act investigations to BSW's team of seasoned regulatory attorneys in the healthcare practice. "We are pleased to welcome Alec to our team," said BSW Managing Partner Scott Hensgens. "He has an outstanding reputation in a highly specialized practice area that is poised for explosive growth. His experience in False Claims Act investigations in the healthcare industry and his extensive corporate executive experience will mesh quite well with our own strength in the healthcare regulatory and litigation fields. We look forward to benefiting from his experiences both in the corporate environment and as a former federal prosecutor."

BSW was founded in Baton Rouge in 1928. Today, BSW is a multi-specialty law firm with 70 attorneys serving the legal and business needs of people and companies throughout Louisiana. The firm has offices in Baton Rouge, New Orleans, and Covington. For more information, please contact Margaret A. Martin, 225-376-3640.
