Clients Name Breazeale a Client Service Leader and Improving Client Service

Breazeale has been recognized for providing excellent client service, and for stepping up that service during the COVID-19 pandemic.

In an independent survey of corporate counsel, Breazeale was named to the BTI Client Service A-Team 2021 report. BTI also released its list of the 70 Most Improved Law Firms in Client Service, based on an analysis of interviews with more than 350 general counsel and in-house lawyers at large businesses. Breazeale was recognized in those interviews for providing a high level of client service, and raising the bar specifically during the COVID-19 pandemic.

BTI, a leading provider of strategic research to the legal community, based its 2021 Client Service A-Team rankings on more than 350 in-depth telephone interviews with the highest-ranking legal decisions makers at companies across more than 15 industry segments. The report is a data-driven ranking that is sponsored solely by BTI. No law firm or attorney influences the results, submits nominations or provides client names to BTI.

Breazeale was founded in Baton Rouge in 1928. Today, BSW is a multi-specialty law firm with 74 attorneys serving the legal and business needs of people and companies throughout Louisiana. The firm has offices in Baton Rouge, New Orleans, and Monroe. For more information, please contact Margaret A. Martin, 225-376-3640.
