**BREAZEALE, SACHSE AND WILSON, L.L.P. HEALTHCARE RANKED IN
“FIFTH ANNUAL REGIONAL LAW FIRM RECOGNITION”**

Baton Rouge, LA—The law firm of Breazeale, Sachse & Wilson, L.L.P. (BSW) was recognized by the **American Bar Association (ABA) Health Law Section** as one of the largest law firms in the South as part of its “Fifth Annual Regional Law Firm Recognition.” The rankings are based on geographic region and Health Law Section lawyer membership. This award individually recognizes the top 10 law firms with the largest number of lawyer membership in the ABA Health Law Section as of 2017 in the following regions: South, Southeast, Midwest, West and Northeast. This is the third consecutive year BSW has been named #1 in the South.

The American Bar Association’s Health Law Section is a unique member-run group that depends on the support and commitment of the nation’s most influential health law attorneys. The ABA places particular emphasis on regional member participation because America’s healthcare is inherently regional in its organization and delivery.

BSW was founded in Baton Rouge in 1928. Today, BSW is a multi-specialty law firm with 70 attorneys serving the legal and business needs of people and companies throughout Louisiana. The firm has offices in Baton Rouge and New Orleans. For more information, please contact Margaret A. Martin, 225-376-3640.
